Medical Associates
of the Shoals

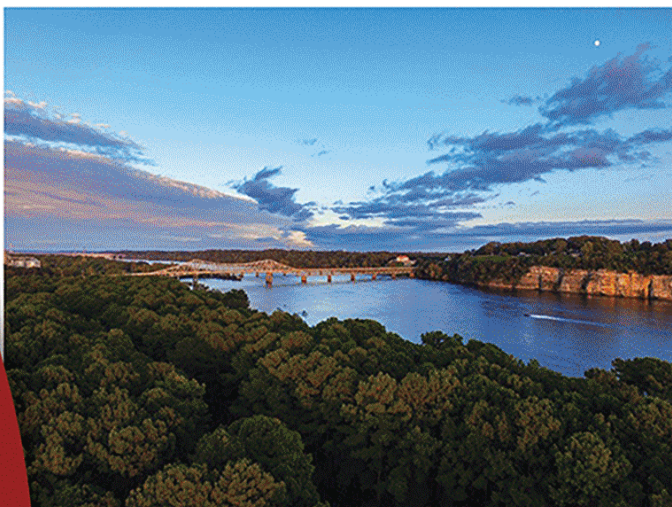

Medical Associates of the Shoals is a thriving internal medicine and family medicine practice with a passion for providing the highest quality care for thousands of patients who put their trust in us. All physicians maintain privileges at the two major hospitals in the Shoals; Helen Keller Hospital, part of the Huntsville Hospital System; and North Alabama Medical Center. In addition, our practice includes highly skilled nurse practitioners and over 60 administrative team members, all of whom are ready, willing and able to make sure your practice runs smoothly.

**You won't be alone in
establishing your practice
or your home.**

When you join the Medical Associates of the Shoals family, you'll reap the full benefits of our extensive physician marketing program. We use a variety of tools to make sure the community is as excited about your arrival as we are. Social media, digital and print advertising, meet and greet events with health-care colleagues, guest speaker opportunities, grassroots marketing efforts targeted at area businesses and organizations, and other activities are designed to ensure the success of your practice. We'll be right there with you every step of the way.

While establishing your practice is certainly important, we know that your home is equally important. We'll give you all the help you need in finding the perfect place to live, choosing a school for your children, locating employment for your spouse, finding a church home, and showing you where the recreational and shopping opportunities are for you and your family. We'll take you under our wing and make sure that your onboarding process is a pleasure.

You're going to love living in The Shoals.

Located on the banks of the beautiful Tennessee River (also known as The Singing River), The Shoals offers a place where you can grow as a physician as well as realize the work-life balance you've dreamed of. The Shoals area consists of the cities of Florence, Muscle Shoals, Sheffield and Tuscumbia in the Northwest corner of Alabama. You'll find the cost of living is quite affordable, the temperatures are mild, and the crime is low. Topnotch schools, including the University of North Alabama; a wide variety of recreation opportunities; first-class dining with something to appeal to every palate; and a world-renowned music industry are just some of what you will enjoy when you make your home in the Shoals.

... and multiple locations to serve the community.
